## Camp 1:27 Recap

The 2024 edition of Camp 1:27 has come and gone. What an amazing year it was! We are incredibly thankful to the Lord for providing an amazing staff to serve 108 campers from all across Alabama this summer. Our goals were to introduce every camper to Christ and give them the best week of their life. We accomplished this as seen by this quote from one of our campers:

**“This has been my favorite week ever. I don’t want to go back home.”**

Our big theme for this summer was to answer the question, “What is the Gospel?” We wanted our campers to know that God is good and desires for them to be His children. Please pray that the seeds that were sown this summer will be watered and salvation given to our campers.

There are so many to thank for this successful summer! We do not have the space to do it by name but we are so incredibly thankful to each of you who supported us this summer. Your generosity was crucial to meeting our Camp 1:27 goals. THANK YOU!

**“Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world.” — James 1:27**

## Transitional Living Apartments — A HUGE UPDATE

After years of praying, planning, and fundraising, our transitional living apartments are finally becoming a reality! Work began on this project back in 2020 but several things halted our progress including a worldwide pandemic. It has been amazing to see all the ways God has provided through the years as we near completion of the renovation work. As we continue to move forward, we need the full support of our community to provide a transformative program to those who will call these apartments home.

One of our biggest needs now is to furnish each room. Upon completion we will have 8 individual apartments to be furnished. We have compiled a list of items needed to complete the rooms. If you, your family, church, business, or civic club would like to sponsor a room, please let us know.

The plan is to open the apartments to residents this fall. But before the apartments are occupied, we will host an Open House so all of you can tour the facility to see how your generosity has been spent over the last four years. We are thrilled with how the apartments are shaping up and cannot wait to see how the Lord uses this space to prepare our future residents for successful and independent adulthood.
